

Story: Login

As a user,
I want to login,
So that credentials are automatically filled when ordering.

VESO					
<div><table border="1"><tr><td>Username</td><td></td></tr><tr><td>Password</td><td></td></tr></table><div>Login</div></div>		Username		Password	
Username					
Password					

Acceptance Criteria

- Both fields are required.
- Password must be at least 8 characters, containing at least one special character.
- Password cannot be changed (yet).
- After logging in, the customer is redirected to the home page with products.
- The password field must have hidden characters by default. There should be an eye icon to show the password if needed.
